Shri Hubert SZ Khobung, Local Convener SLBC and Regional Manager SBI, welcomed all the participants and the meeting started with key note address from DGM SLBC.

Shri Hemant Kumar.D.Gadge, Deputy General Manager SLBC informed that SLBC for March 2024 Quarter is delayed due to Parliamentary Elections. He urged that SLBC meetings should adhere to the timeline of 45 days from the end of the Quarter. He reminded that SLBC is always the highest forum to discuss about the financial health of the state. In this meeting Banking and Financial progress of the state are being discussed. He informed that in the Credit Deposit ratio of the state there is a YOY growth of 14.21% in advances and 6.95% in Deposits. The CD ratio which stands at 58.31% in the last Quarter has increased to 58.41% in the March 2024 Quarter. He informed that there is a need of a CD ratio of 60% for overall growth of the economic development of the state. He urged all Banks to improve the CD ratio so that the state as a whole will benefit from it.

Priority sector lending in the state stands at Rs 5427.06 crores which constitutes 52.93% of the total lending. Even though it is above the benchmark of 40%, for equitable overall development of the State it requires to be further improved.

As far as ACP target is concerned, Banks have achieved 90.08% of the budget. As Annual Credit Plan is synchronised with Potential Linked Credit Plans (PLPs) it is understood that banks are already working towards achieving the target plan.

As the NPA in GSS is very high, banks are directed to lodge certificate cases for recovery and also the State government is requested to support the banks in expediting the recovery process. NPA for PMEGP is 25.15% and 12.75% for NULM.

Shri T.Lhungdim, General Manager, RBI reminded that Banks make a difference in the lives of people through interventions and deliberations. For instances focus on issue like Financial Literacy and Financial Inclusion further the penetration to remote, unbanked and underbanked areas. Initiatives to promote digital payments in districts of the state by pushing for cashless transactions and building infrastructure institutions like RSETI, Mega Currency Chests, Digitization of land records are ways to address the bottlenecks in delivery. He emphasized the importance by SLBC for the growth of the state and country as a whole. The role as members of SLBC remains a driving force in imposing sustainable force for involving strategies for strengthening credit in the available system. Growth is a fact achieving aspiration of the government to become a developed nation by 2047. From 26.02.2024 till 1st March 2024, Financial Literacy week has been celebrated and observed to the theme Make a Right Start Become Financially Smart. Financially Literacy camps were conducted in 4 districts and Financial Messages were made at Airport kiosks. Banks are advised to organize at least one Financial Literacy camp per branch per month.

Under the Roadmap for providing banking services to villages with population less than 2000 population, only 7 villages are left to be covered. The issue has been taken with concerned banks. Standing committee eastern zone observed that some villages in the state of Mizoram did not make much progress in digitization. Matter was taken with LDMs to resolve the connectivity issue.

Government has started focusing Internationalizing of the Rupee which is basically to popularize the Rupee for International Border Trade which calls for collaboration of various stake holders like Customs Department, DGFT, Exporters and Importers etc.

RBI is planning to set up a Digital Intelligence Platform for which a committee has been set up to work out the various aspects and modalities. Basically, this platform is meant to mitigate the extent of digital frauds as there has been a lot of interest of customers in the payment ecosystem.

To commemorate the 90th year of existence, RBI celebrated this year as RBI at 90th Year. There is a plan to reach out to more financially literate customers through Nationwide Thrust to Students under the moto 'RBI goes to School'.

Finally he urge all members of the SLBC forum to continue their steadfast efforts towards making a positive difference in people's lives.

(Action: All Banks)

Smt. Pankaja Borah, General Manager, NABARD appreciated the ACP performance for FY 2023-24 at 90% which is marginally better than last year which stands at 88%. But as NABARD's concern is more dispensed towards Agricultural credit and it is observed that even though Mizoram is an Agrarian state, Agricultural Credit works out to around 52% which is really is a cause for concern and further more crop loan growth is only 39% of the target which is abysmally low. On the basis of facts and figures it is concluded that production loan has not picked up due to the low outreach of the KCC in the state. As per SLBC data it can be observed that only 36,000 RUPAY KCC cards have been distributed to the farmers. As KCC cards are very effective credit delivery mechanism, banker fraternity are urged to give more thrust to sanctioning more KCC Loans.

Cooperative sector have computerised 25 PACs under the Ministry of Cooperative Scheme. These 25 PACs can be leveraged to disburse KCC loans by Cooperative Banks.

Regarding Agricultural Credit it was requested that State Government especially Agriculture Department, Animal Husbandry and Dairy Development to work closely with the Banks as these sectors have the potential not only for employment generation but improving the income of the farmers.

Since most of the Banks are located in Aizawl City, taking the help of Bankers Correspondent and Bank Sakhis can be an alternate means to tap into the farmers..

Dr. Renu Sharma, Chairman SLBC and Chief Secretary, Govt. of Mizoram extended a warm welcome to all the participants. She urged SLBC to stick to the timeline of 45 days from the quarter CD ratio and performance in Annual Credit Plan calls for banks to improve sanctions towards Agricultural crops, Animal Husbandry and Fisheries. She urged that Secretary Agriculture, Animal Husbandry and Fisheries to be present in future meetings, as their presence is very crucial in implementing various Government Sponsored Schemes. Secretaries of other departments related to GSS are also requested to be present as it is held only once in every quarter and if they are present, the various departments will put their

best foot forward. It is observed that the same banks with CD ratio below 40% keep on repeating their non-performance viz YES, AXIS, BAND, FED, ICICI, HDFC and SIB. These banks are advised to improve their performance in the coming Financial Year. Departments are advised to have preliminary meetings before the main SLBC meeting. It has been observed that all banks have participated in the Social Security Schemes except Bandhan Bank.
