MINUTES OF THE STATE LEVEL BANKERS' COMMITTEE MEETING FOR THE QUARTERS ENDED JUNE & SEPTEMBER, 2019 HELD ON 26.11.2019 AT HOTEL VIVOR, KOHIMA, NAGALAND

The State Level Bankers' Committee meeting, Nagaland for the combined quarters ended June & September, 2019 was held on 26.11.2019 at Hotel Vivor, Kohima. As the Chief Secretary could not attend the meeting due to other important official engagement, the meeting was co-chaired by Shri Taliremba, Officer on Special Duty (Finance) and Shri Sunil Kumar Tandon, Chief General Manager, SBI, Local Head Office, North Eastern Circle, Guwahati. The meeting was attended by senior officials from RBI, NABARD, Government Departments and Banks in the State. List of participants is enclosed as **Annexure-A**

Shri Paogin Haokip, Convener, SLBC & AGM, RBO, Dimapur, warmly welcomed the participants and requested them to actively participate in the deliberations.

Shri Sunil Kumar Tandon, CGM, SBI in his opening remarks briefed about the banking profile of the State of Nagaland. There are 27 Banks operating in the State of Nagaland. The deposit as on September, 2019 quarter was Rs.11900 crs. which has seen a decline of Rs.43 crs over the Mar'19 quarter. However, the advance portfolio has improved by Rs.250 crs. at Rs.5172 crs over the Mar'19 quarter. He noted that performance of many Banks were not good enough. **CD Ratio** has improved from 41% in Mar'19 quarter to 43% in the Sept'19 quarter, which is still far below the national benchmark of 60%. He reminded all the Banks of the need to achieve a minimum benchmark of 60% in a time bound manner. He also highlighted 5 Banks with CD Ratio below 20% and asked them to improve their performance by charting out an actionable plan. He also noted with concern that the priority sector lending in the State is merely 36.95 % as against national benchmark of 40%. The credit flow in priority sectors like Agri, MSME and Other Priority Sector should be improved to have a respectable PSL ratio for the State.

A**griculture constitutes** 7% of the total advances as against 18% national benchmark. There are some limitations in agriculture sector due to various topographic and demographic reasons in the state. However, a lot can be done in allied agriculture sector in consultation with the Govt. Departments of Agriculture and Rural Development. Under **PM Mudra Yojana**, an important flagship programme for employment generation scheme of the government, the Banks have sanctioned 894 loans. However few Banks have not sanctioned even a single MUDRA loan during the current financial year which is not acceptable.

In regard to Bakijai, he expressed concern over the increasing number of cases and requested government officials to expedite disposal of Bakijai cases and support the Banks in effective recovery of overdue and NPAs as the public sector Banks are under lot of stress due to rising NPA. He pointed out that out of the 7 North Eastern States, Nagaland is the only State where SARFAESI Act is not implemented. The other available alternative for the Bankers is the lengthy court procedures for recovery of dues, which makes the Banks reluctant to extend high value credit in the State of Nagaland. He requested the government to do something for implementation of the Act in the State.

Social Security Schemes like PMSBY and PMJJBY have seen an increase in enrollment but still a lot needs to be done for bringing more people within its fold as the benefits can be reaped with a very low premium for both accidental and life coverage of Rs.2.00 lakhs. Since the performance of the State in ACP, Priority Sectors Lending and Govt. Sponsored Schemes are poor, he requested the Bankers to pay more attention in the remaining four months to put up a respectable performance.

In his opening remarks, the OSD (Finance) apprised the gathering about issues involved in implementation of SARFAESI Act in the State. The State has a peculiar system of land holding which restricts transfer of land to non indigenous inhabitants. Only indigenous inhabitants of Nagaland can acquire or possess land by transfer, lease agreement or sale in the State and this land holding system is guaranteed under Article 371 A of the Constitution. He informed that the State Government has sought prior approval of Government of India for implementation of the Act in the State with the condition that banks will be allowed to take over possession of fixed assets of borrowers (land and property) but can sell such property only to indigenous inhabitants of the State. He also expressed concern that allottee banks have not been able to set up bank branches in the 29 unbanked Blocks inspite of passage of considerable time which is directly hampering implementation of DBT and progress of financial inclusion and social security schemes in the State and urged the allottee banks to set up the bank branches without further delay.

4. Banking development and CD ratio:

There are five Banks whose CD Ratio are below 15%: YES (3.65%), Fed (6.65%), ICICI (11.17%), PSB (12.09%), IND (14.35%). These Banks were asked to improve the CD Ratio by the third quarter of 2019 by making tangible efforts in sanctioning MUDRA, Govt. sponsored schemes, Priority Sector, ACP etc. In Kohima, where CD Ratio is a mere 22.37, all the Banks were advised to discuss with the concerned Govt. depts. / Agencies / NGOs / Chamber of Commerce etc. and take full advantage of the DCC Sub Committee on CD ratio. (**Action Point: All Banks)**

To improve the low CD Ratio in Dimapur (47.70%), the Banks operating in the district need to frame their own actionable roadmaps. Mon – 56.28%, Phek – 68.63%, Wokha – 69.47 %, Longleng– 72.31 %, Zunheboto–81.62%, Mokokchung – 85.25 %, Kiphire –89.78 %, Tuensang - 117.38%, Peren – 121.75 %, the Committee noted the performance of the Banks operating in these districts for maintaining a good CD ratio and urged them to improve and maintain the position. (**Action Point: All Banks)**

5. Review of performance of Banks under ACP of the state.

The Committee noted with concern that the ACP achievement is only at 10.72% upto the second Quarter of the financial year i.e. September, 2019. Banks were urged to focus on the ACP and improve their performance to 65 % by December, 2019 quarter. GM NABARD pointed out a mismatch of ACP target with table figure. Banks were asked to invariably feed the correct ACP targets and data of their bank when they upload in the SLBC portal and ensure data integrity. **(Action Point: All Banks)**

6. Flow of credit to priority sector and weaker section of society.

Except for a few Banks, credit flow to priority sector in the State is not healthy enough. As priority sector lending plays an important role in improving the overall economic development of the State, the Chairman urged upon the Banks to give more emphasis on lending to priority sectors.

(**Action Point: All Banks)**

7. Govt. sponsored schemes:

Out of 1392 nos. of total PMEGP target for the State, 1200 proposals have been forwarded to Banks. Bankers requested the sponsoring agencies/deptt. not to forward proposals to Banks in excess of target set by the DLTF/SLMC. NKVIB representative informed the house that they have instructed the District Officials not to forward proposal beyond the bank/branch target. Some Banks have reported that some of the beneficiaries are applying pressures to influence the credit decision of the Bank officials. Since this is a security issue for the Banks, the Committee decided that the issue should be discussed and settled with the sponsoring agencies / departments. **(Action Point: Sponsoring Deptt/Agencies/All Banks)**

Accordingly, a Sub Committee on digitization has to be formed which will comprise representatives from SBI, BOB, HDFC, UCO, Axis Bank, IT&C Department Govt. of Nagaland and DOT to draw a roadmap for achieving the goal within a time frame of 1 year. All Banks therefore, will have to augment their ATM, BHIM Aadhaar, PoS machines and also to ensure that the customers are provided ATM cards, BHIM and Aadhaar.

(Action Point: Convener, SLBC/Banks)

10. Financial inclusion;

The Committee noted the prevailing low level of enrollment in PMSBY and PMJJBY. Focus should also be given to enrollment under APY for financial security during old age. The villages allocated to different Banks, which are still uncovered, have to be brought under banking outlets. **(Action Point: All Banks)**

Pfutsero is one of the largest Sub – Division in the State with 45 villages, 5 towns and large number of Government departments and private institutions. It is an important commercial and educational hub. Presently the town has 1 branch of SBI and 1 branch of NSCB which is inadequate. Canara Bank has already taken up the proposal for opening a branch at Pfutsero town. The representative from Canara Bank informed that banks higher authorities have given a positive response to open a new branch at Pfutsero once the merger exercise is completed. Apart from the driver, there has to be two custodians and two armed guards in the cash van. The Banks should ensure that service providers are capable of giving the services as per the required security guidelines to avoid untoward incidents.

SLBC Convener informed that all the Public Sector Banks have introduced uniform banking hours from 9.00 AM to 3.00 PM for all the districts other than Dimapur District which is from 10.00AM to 4.00 PM in the State of Nagaland on all working days.

MINUTES OF THE SUB COMMITTEE MEETING ON 100% DIGITIZATION (KOHIMA DISTRICT) UNDER DIGI DISTRICT PROGRAMME HELD ON 19.12.2019 AT SBI KOHIMA BRANCH

The Sub-Committee meeting for 100% Digitization under Digi Programme for Kohima district was held on 19th Dec, 2019 at SBI Kohima Branch (Conference Room). Mr. Paogin Haokip, SBI Regional Manager, Dimapur Region, chaired the meeting and was attended by the following Committee members:Regional Manager, SBI, RBO

1. Assit. General Manager, BSNL
2. Asst. Manager, HDFC
3. Business Dev. Executive, & Asst. Mgr AXIS
4. Sr. BM, BOB
5. Chief Manager, UCO
6. Chief Manager, SBI
7. LDM, LBO KMA

Mr. Paogin Haokip, SBI, SLBC Convener, Nagaland welcomed all the committee members to the 1st Sub-committee meeting on 100% Digitization and gave a brief overview of the Digi District programme which is being initiated by RBI wherein it was advised to identify one district in the state to make it 100% digitally enabled so as to give push for cashless transactions in the district. This programme was discussed as one of the agendas at the previous SLBC meeting held on 26.09.2019 and accordingly the Committee members were selected for spearheading the implementation of 100% Digitization programme. He further stated that since Kohima district was already identified as one of the Smart cities under the Smart City Mission Programme, and with better access to wi-fi and mobile connectivity which is of paramount importance to drive digital payments, Kohima was the ideal choice for implementing this Digi Programme. In line with the Govt. of India's concept of promoting cashless economy, it has been hard-pressed to promote all digital related payments to be taken up by co-ordinating the banks, financial institutions, telecom service providers etc.

The agendas were then discussed in detail starting with the

1. **Mapping of financial institutions and streamlining of bank accounts for facilitating direct benefit transfer.**

Mr. Haokip emphasized the need of bank coverage in all areas so that the general public can avail the various Government sponsored subsidy linked incentives/benefits. He also deliberated on the bank branches and ATM network availability stating that there were 42 bank branches, 91 ATMs, 11 in Rural and 78 in Semi-urban areas, and 2 in Urban areas and 3 BC/CSPs under Kohima district. He also asked the LDM, Kohima to compile a report giving geographical location of the spread of ATMs in Kohima for deriving the mapping and distribution of ATM networks. He urged the banks to explore avenues for deploying and appointing more CSP/BCs especially in the uncovered villages. With the various difficulties faced in opening brick and mortar branch taking into aspect the security issues, infrastructure, power, connectivity etc deploying the services of CSP/BCs would be the best solution at present scenario to drive financial inclusion activities. Mr. Haokip also highlighted some of the important re-imbursement schemes available under Financial Inclusion Fund, NABARD for the purpose of financial inclusion such as (Annexure II enclosed):

- Reimbursement of examination fee of Rs. 800/- per BC/BF who pass the Certification exam of IIBF
- Reimbursement of Rs. 22500/- per device for deployment of Micro ATMs
- Reimbursement of Rs. 6000/- per device for deployment of POS/mPOS terminals in Tier 3 to Tier 6 centres
- Reimbursement of Rs. 300,000/- per unit for installation of VSAT in Sub-Service Areas (SSA) of the bank for Kiosk/Fixed CSP
- Reimbursement of Rs. 6000/- per unit for installation of mobile signal booster in SSA of the bank for Kiosk/Fixed CSP
- Reimbursement of Rs. 100,000/- per unit for installation of solar power/UPS in SSA of the bank for Kiosk/Fixed CSP

(Action Point: All banks under Kohima district to explore and appoint more CSP/BCs on priority.)

2. Dedicated financial literacy initiatives to promote digital payments

Financial/ Digital Literacy camps to be taken up intensively by all banks for creating awareness amongst the public and educate them about the benefits and ease of digital payments. He also reminded all the concerned bank branches that for conducting financial and digital literacy camps, ceiling of Rs.6000/- or the actual expenditure incurred whichever is less, will be reimbursed by NABARD after submitting in the prescribed claim format.

(Action Point: All the SLBC member banks)

3. Leverage of reach and technical expertise of payments banks to cover the gap of provision of basic banking facilities

Some of the bank's digital payments performance report as on 30.09.2019, was overviewed such as Internet banking, BHIM, POS, Bharat QR etc as these are the most common digital products to promote and operate digital payments system. He impressed upon the members to aggressively endorse the digital products and applications to the branch customers for achieving 100% digitization in the district.

4. **Brief overview of Sample data collected from various Departments/Banks for Kohima district**

Merchants, business establishments, to be targeted for implementing these digital products. Kohima Chamber Commerce, Panchayats, (local opinion makers) to be invited in the next sub-committee meeting. Mr. Zaren Kikon, AGM, BSNL also addressed the house with regards to mobile/internet connectivity in the district and mentioned that due to OFC cable not being available in all the areas, he requested the bank officials to provide the list of villages/areas where banking facilities will be extended so that they can give priority and coverage to those villages/areas. He also inquired if the BSNL Office would be eligible for claiming reimbursement of Signal booster under NABARD scheme as it would be beneficial as BSNL is undergoing financial crunch. Mr. Haokip clarified that the particular scheme is applicable for Banks only however, the department can officially put up for financial assistance and can be accordingly taken up as it would ease the implementation of digital transactions in such areas. Two dark areas under Kohima district, Dzuleke and Thekrujuma were also discussed and accordingly the GM assured the department would look into the matter to ascertain the possibilities of network coverage.

(Action Point: AGM BSNL to appraise the network coverage status of these two dark areas in the next sub-committee meeting)

Mr. Haokip also suggested for collecting details of location/areas from Kohima Smart City where free Wi-fi facilities will be installed in the district as most of the schools/colleges/departments may not be having the free wi-fi connection in the campuses/offices. And accordingly strategic locations having free wi-fi facility can be identified/explored to push these digital products and services.

5. **Other issues/topics**

LDM Kohima reminded all the bank representatives for timely submission of the monthly report as per the format prescribed by RBI for monitoring the progress of digital payments in the district.

The meeting concluded with vote of thanks by Mr. Paogin Haokip, SLBC Convener and informed the committee members that the agendas discussed in the Sub-committee meeting will be presented in the next SLBC meeting and requested all the members to attend the meeting.
